THE BOOSTER CLUB

For eighteen years the M-N Boosters Club has served the High School in stimulating a general interest in Marple-Newtown High School sports. More specifically in stimulating a feeling of mutual interest of the Boosters and the students in organized school athletics with promotion of clean sports and character development.

Two of the Boosters biggest projects are: To sponsor and finance the annual All-Sports banquet and to finance the coveted Jacket award to the senior athletes.

Meetings are held the second Thursday each month in the school health room at 8 p.m. Anyone with an interest in the M-N High School athletic program is invited to attend.
